What Is Interruption for Any Reason?

You may be familiar with an extra protection in travel insurance called Cancel for Any Reason. It's an upgraded benefit that offers more flexibility if you need to cancel a trip up until a few days before departure. Now there's a new variation called Interruption for Any Reason, which is a separate benefit. It means you can cancel your trip after it's already started, and it covers scenarios that may not be included in a standard trip interruption policy — even if it's just a change of heart. There are certain requirements that need to be met, including purchasing it within a specific period after your first trip payment. Want to know more? We're here to help!

ASK OUR EXPERTS

OUR EXPERTS SHARE THEIR INSIGHTS INTO GETTING THE MOST OUT OF YOUR TRAVELS.

“How do I travel mindfully to environmentally protected areas?”

Gorilla trekking in Rwanda

Whether it's a national park, marine reserve or other conservation area — traveling to a protected site means committing to the regulations in place and practicing other sustainable measures. We're here to help navigate the details!

The Belize Barrier Reef, the world's second-largest coral reef, is a great example of a protected site that needs constant vigilance to preserve it for future generations. Thanks to protective

measures and coral regeneration initiatives, the Belize Barrier Reef was removed from the UNESCO List of World Heritage in Danger. Its seven protected areas are home to over 1,400 species, and as a traveler you're responsible for practices like keeping your distance from marine life and the coral reefs, wearing reef-safe sunscreen and avoiding single-use plastics.

In Africa's national parks, simple practices can make a big difference. Consider spending more time in a

single park, exploring more deeply and avoiding quick flights. While off-road vehicles are a popular part of the outdoor experience, you can reduce emissions by hiking, kayaking or riding in an electric safari vehicle.

From diving trips to polar travel, we're here to connect with ecologically minded tour operators. We'll help you find companies that engage in practices like offsetting carbon dioxide emissions and partnering with conservation groups to support local initiatives.

▲ COME OUT AND TRAVEL
John Tanzella, president and CEO of the International LGBTQ+ Travel Association (IGLTA), shares his tips on how LGBTQ+ travelers can find resources and allies while exploring the world.

How has the landscape of LGBTQ+ travel evolved over the years?

As an organization that works with destinations, cruise lines, hotels, travel advisors and travel media, we're always finding new ways to help others understand diversity. For example, we might connect with a destination where tour operators have been taking small groups of LGBTQ+ travelers for years and begin the conversation that way.

What are some countries that you've seen become more welcoming to LGBTQ+ travelers over the years?

India is a good example. It took a few years for us

to gain a foothold there, but they're very interested in welcoming LGBTQ+ travelers. Japan is another example; they're going to be the first Asian country to host our annual convention. LGBTQ+ travelers often lead the way in finding the next big destination, including putting Malta on the map a few years ago.

What kinds of resources should people look for when traveling?

Whether you're LGBTQ+ or not, we always recommend that you know before you go. The IGLTA Foundation website has a lot of resources about local laws and customs. We also recommend

that you register your international trip with the U.S. Department of State so they can be in communication with you if there's any reason for alarm.

How can travelers be better allies and support LGBTQ+ travel?

I hope to see a future where places can freely welcome everyone. From a traveler's perspective, instead of avoiding destinations because of their politics, go there and support locally owned businesses and organizations that help members of the LGBTQ+ community. Go and make the most out of your experience.

11 SPECTACULAR CELEBRATIONS

Bright lights and brilliant colors spark joy amid the world's most vibrant festivals. Discover the meanings and traditions behind these cultural extravaganzas, and start planning your next great adventure.

2 HOLI

Clouds of color fill the air as revelers toss handfuls of powdered dye and mist water among the crowds. Marking the start of springtime in India, this holiday is rooted in Hindu mythology involving the triumph of good over evil and the powerful love between the god Krishna and the goddess of love and devotion, Radha. Customs differ between Indian states, and this high-spirited event is celebrated by the Indian diaspora around the world.

3 LA TOMATINA

What better way to say farewell to summer than a massive food fight? Spain's La Tomatina festival takes place on the last Wednesday of August in the town of Buñol, as participants smash ripened tomatoes into one another in a frenzy of fun.

4 DÍA DE LOS MUERTOS

On this "Day of the Dead," the veil lifts between the world of the living and those who have passed. Originating in Mexico, this celebratory fiesta takes place on November 1 and 2 as locals gather with their communities adorned in colorful costumes, bright flowers and artfully applied skull makeup. In their homes, families create an altar known as an *ofrenda* that is lavished with marigolds, food and photographs of their deceased loved ones. You can join local celebrations in areas like Oaxaca City, Mexico City, Mérida and beyond.

5 MARDI GRAS

Laissez les bons temps rouler! Let the good times roll during this raucous carnival. French for "Fat Tuesday," Mardi Gras has become a bucket-list New Orleans experience that runs from early January until the day before Ash Wednesday — and it's also widely celebrated in cities like Baton Rouge and Mobile. In New Orleans, follow along as throngs of revelers take over the streets and watch lavishly decorated parade krewes en route. Glamorous balls, live music and other decadent events fulfill every item on your party wish list.

6 CARNIVAL

Flamboyant samba parades, masquerade balls and bacchanalian parties — this might very well be the greatest show on Earth! Brazil's Carnival is held from the Friday before Ash Wednesday throughout the weekend until the Tuesday before Ash Wednesday as a grand last hurrah before Lent. Join the millions of festivalgoers in cities like Rio de Janeiro, São Paulo and beyond.

8 JUNKANOO

Conch shells and cowbells, costumes, and exuberant dancing are the hallmarks of Junkanoo, a festival that is rooted in West African traditions and originated in The Bahamas in the 17th century. Partygoers march all along Bay Street in New Providence on Boxing Day and New Year's morning.

11 INTI RAYMI

In the Celebration of the Sun, an ancestral festival honors the Inca Empire. Peruvians pay homage to the mid-June winter solstice through traditional costumes, dancing and rituals performed at the Fortress of Sacsayhuaman in Cusco.

9 OBON

In Buddhist tradition, Obon honors ancestors who return to the physical world. This Japanese holiday traditionally takes place in mid-August, spanning three days of festivities. Families hang lanterns to guide their loved ones home, clean and decorate gravesites, and provide offerings on altars. Upon the culmination of the holiday, lanterns are set afloat to lead the spirits back into their world.

Making fresh pasta

Picture it: After waking up to fresh breezes rolling off the Bay of Palermo and exclaiming over the artful foam decoration on your morning cappuccino, a day of adventures unfolds before you. When you reserve an excursion with Europe Express, elements of Sicily’s rich traditions and expressive personality seem to seep into your soul.

Let your appetite build as you stroll to cultural attractions like the ornate Palazzo dei Normanni and the Teatro Massimo opera house. Leisurely stops introduce you to local delicacies like crisp *arancini* rice balls, refreshing semi-frozen *granita* and the ultimate Sicilian dessert — classic *cannoli* stuffed full of sweetened ricotta.

Should your cravings lead you farther afield, the ancient town of Marsala offers a different coastal perspective. St. George Island, Montenegro

Cartagena, Spain

Put more places in your memory box.

Even if you haven’t yet dreamed of seeing some of these places, they’ll certainly linger in your imagination long after you leave. Walk in the footsteps of ancient Romans in the Roman Forum of Cartagena, Spain, and observe the beauty of da Vinci’s “The Last Supper” in a Milanese church.

Refine your voyage.

If a full World Cruise doesn’t fit your schedule, the invitation is wide-open to select shorter segments. Cross between many jewels of the Mediterranean over 23 glorious days between Rome and Ft. Lauderdale. Soak up all the sensations of the Pacific as you sail from Honolulu to Samoa and into the most stunning ports in New Zealand before arriving in Sydney. Norwegian Prima

YOUR PERSONAL PORT TO THE WORLD

See how far you can sail from close-to-home ports with Norwegian Cruise Line.

One of the greatest joys of a Norwegian Cruise Line voyage lies in its simplicity: You only need to unpack once; meals can be as lavish or as light as you wish; and evening performances and endless activities keep you entertained on board. When you add in the option to depart from a cruise ship port that's easy to reach, then the only question remaining is — when do you want to go?

Norwegian Cruise Line now has two ships homeporting from the Port of Baltimore: *Norwegian Sky* and *Norwegian Sun*. Pick your direction from the Chesapeake Bay harbor — north along the coasts of New England and Canada, or southeast toward the islands of Bermuda and the Caribbean.

A PRIMA EXPERIENCE

Ask us about joining Norwegian Cruise Line's inaugural season aboard the third Prima-class ship, sailing to Bermuda from New York and to the Eastern Caribbean from Port Canaveral.

Other points of departure give you options around the United States, including New York, Galveston, Miami, New Orleans and Tampa. From these easy-to-reach ports, a whole world of discovery opens up to you.

VOYAGES TO THE WESTERN CARIBBEAN

A stop in Harvest Caye, Belize, is a nature-filled delight. On this 75-acre island sanctuary, outdoor adventures abound as you swim, zip line or venture to the mainland to explore ancient Maya culture.

Off the mainland of Honduras, Roatán is the ideal jumping-off point to explore the world's second-largest barrier reef system. Dive or snorkel among the coral and sponges of the Mesoamerican Reef.

Greet the stingrays or visit thousands of green sea turtles on the Cayman Islands or plunge into clear waters as you dive among sunken shipwrecks.

EASTERN CARIBBEAN
ENRICHMENT

Look forward to new Caribbean cruise itineraries on *Norwegian Prima* or *Norwegian Viva*, many of which feature a stop at Great Stirrup Cay in the Bahamas. On this private island, you'll have a day filled with thrills as you snorkel with sea turtles, paddle by kayak or sunbathe on warm sands.

In St. Lucia, the Pitons will dominate your line of vision as you drive to a volcanic crater by way of a lush rainforest.

A day in St. Thomas is a bargain hunter's dream with shops filled with duty-free goods. Fishing, shipwreck snorkeling and sailing are all possibilities on your daylong itinerary.

Explore around the whole island of St. Kitts by scenic trail or venture deeper through the rainforest into the mountainous interior until you reach a blissful beach.

SUMMERTIME IN BERMUDA

Spend time in your departure port of New York or Boston, and then set sail for the famed pink beaches of Bermuda. You can learn about the island's maritime heritage at the Bermuda National Museum, shop for a pair of classic Bermuda shorts or ride along the coast on an e-bike.

Anywhere you decide to go, Norwegian Cruise Line promises freestyle sailing where every choice belongs to you. Dine when you want with no set times or pre-assigned seating, and choose from a variety of complimentary and specialty restaurants. Find daily entertainment to suit your mood and retreat to your spacious accommodations — featuring signature Solo Staterooms and The Haven by Norwegian for more exclusive access to services and amenities.

RUN WILD IN ALASKA

Holland America Line holds steady so you can explore freely.

Over the course of 75 years, Holland America Line has built its legacy in Alaska — ushering adventurous spirits into the Great Land where lasting connections are made. With spacious midsize ships and carefully curated activities, you'll have nothing but freedom to experience Alaska in the most meaningful ways.

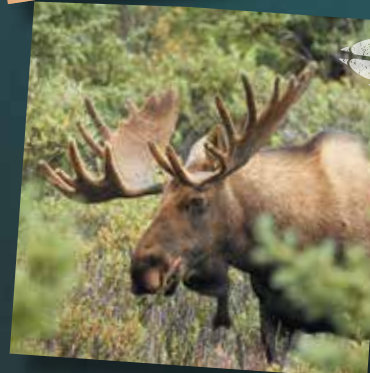

Bring together a journey on both land and sea to make the most out of your time. The legendary Inside Passage leads you to history-rich ports like Ketchikan and Juneau and into the icy waters of Glacier Bay National Park — where Holland America Line has the most permits of any other cruise line. From wide-open decks, witness wildlife in their most natural habitats as whales emerge from deep waters and eagles soar high overhead.

Pair a seven-day voyage with a scenic ride into the wild interior aboard the McKinley Explorer®, the largest glass-domed rail cars in North America. Up to three unforgettable nights at McKinley Chalet Resort put you at the doorstep of Denali National Park. Every day offers a

different way to connect with Alaska, like spotting the Big 5 — moose, bears, Dall sheep, caribou and wolves — on a guided Tundra Wilderness Tour. Enjoy leisurely evenings in Denali Square, picking out locally crafted goods, dining on Alaska-inspired cuisine and listening to live music echoing from the Gold Nugget Saloon.

If you feel drawn toward the roads less traveled, Holland America Line is the only cruise line to offer excursions into the Canadian Yukon. In remote Dawson City where the summer sun shines late into the night, life still has remnants of the gold rush era with Canada's oldest gambling hall, a historical wooden boardwalk and a voyage along the Yukon River on a restored paddle-wheeler.

When you reserve an Alaska cruisetour with us, you'll also receive lunch on board the McKinley Explorer® railway and on the Tundra Wilderness Tour, plus \$25 in Denali Dollars per person (plus an additional \$50 per person when you upgrade to a Denali Suite at McKinley Chalet Resort).
